

# Reflection and Prayer to End Human Trafficking

## January 11—February 8, 2019

God of Love, touch our hearts and energize our efforts to abolish this crime. We ask for transformation of heart for those who inflict pain, anguish and grief on our sisters and brothers. Give them compassion, generosity, and courage to stand in solidarity with others so we can heal the hearts and lives of all your people. Grant this through Christ, our Lord. Amen.
